New 17-acre Hyatt timeshare resort offers golf, a spa, and there's plenty to keep the little ones happy too

Just 20 mins west of downtown in Doral, Miami (see map link at end), the Hyatt Miami at The Blue is set in lush surroundings: 17 acres of green breathing space overlooking a world-famous PGA championship golf course, with many more courses close by.

The new boutique hotel makes an ideal base for family holidays. The property is close to the beach and its spacious suites feature fully equipped kitchens for at-home entertaining; alternatively guests can relax in the hotel restaurant and bar after a long day in the sun on the pool deck. Golfers can choose to stay in one of the three-bedroom golf villas adjacent to the course.

The new timeshare resort has lush tropical landscaping and plenty of amenities for guests to enjoy such as the brand new Spa Azul. The hotel offers all the luxuries of resort living: all suites have a terrace and golf course view, with fully equipped kitchens with all stainless steel appliances, marbled bathrooms with “rain showers” and a large flat-screen LCD TV. Guests can also take advantage of the state-of-the-art fitness center, the full-service spa, and the over-sized heated pool with private cabanas overlooking the golf course.

Children will love the location, too, because close by, there's the Bayside Marketplace, beaches, Miami Metro Zoo, Gardens Seaquarium and Parrot Jungle.

“We are thrilled to add Hyatt Miami at The Blue to our portfolio of hotels in the Southeast. The location and quality of the hotel will no doubt appeal to both group and leisure travelers,” said Chuck Floyd, chief operating officer, North America, Hyatt Hotels Corporation.

Hyatt Miami at The Blue also offers condo hotel residences. These will be marketed to individual buyers, who will be able to place their units in a voluntary hotel rental program. Condo owners who enter the rental program will also have the option to participate in the Hyatt Vacation Club. Hyatt Vacation Club provides its members with vacation ownership opportunities where they can exchange their time among 15 Hyatt Vacation and Residence Clubs or at properties within Interval International, a third party exchange company with more than 2,200 resorts worldwide.

Owners in the rental program may also trade their time for Hyatt Gold Passport™ points, which can be used by members of Hyatt's frequent guest program for travel to Hyatt properties worldwide. Additionally, unit owners will have access to membership in surrounding golf and resort facilities, as well as membership to the international Nikki Beach Club with its beachfront location in nearby South Beach.
